

## Alumni “Golf” Tournament and BBQ

The 2006 Alumni “Golf” Tournament and BBQ was on Saturday, July 22, 2006.

We had a big turnout, with alumni coming in from Vancouver, BC, Deepest Darkest Oklahoma, Madison, Wisconsin, and other exotic locales.

We also had a good turnout of alumni from the Prescott area, as well as the current clients and staff. In all, we had about 70 golfers and easily that many more at the BBQ.

The Tournament results are in, and the teams led by Greg F. and Len M. tied for First Place with scores of 4 under par, Dayton T.’s team finished Second at 3 under par, and two teams tied for Third at 1 under.

As far as we can tell, no injuries more serious than sunburn

and wounded pride were incurred, property damage appears to have been kept to a minimum, the carts all upright and in one piece, and collateral damage fell within levels deemed acceptable by the current administration.

At the BBQ afterwards, under a tent covering the entire parking lot, we went through huge piles of steak and chicken, gallons of potato salad, and vats of BBQ sauce.

Clients, alumni, and staff were able to touch base with old friends and family. We even had the very first P-House grad in attendance, as well as a couple others with low 2 digit graduation numbers.

Next year’s tournament and BBQ will again be the same weekend as the Prescott

Roundup, which is always the last weekend of July. So mark your calendars and book your flights now. Pass the word to all the alumni you know, and start hitting the driving range. Remember to keep us current with your contact information, and we’ll be sending you an announcement in early June.

### Monthly Alumni Speaker Meeting

Beginning Saturday, September 2, 2006, the Prescott House will be hosting a monthly speaker meeting on the deck. They will start at 7:00 PM the first Saturday of each month, and will feature a Prescott House graduate as the speaker. All clients and graduates are welcome. This is a great opportunity to connect with some of the current clients and share some alumni experience, strength, and hope. Please come and bring another alum.

## Dave Frey Now Admissions Director

Dave Frey had been named the new Admissions Director for the Prescott House. Dave, who graduated in 2002, has been working in admissions for several years now, and is moving into the Admissions Director position previously held by Mark McGuiness, the new Administrative Director.

When asked about Dave, McGuiness said “He’s been doing all my work for years anyway, so we figured we

might as well make it official.”

In addition to his invaluable business and organizational skills, Dave’s calm demeanor provides some much-needed reassurance to prospective clients and their families, helping make the difficult step into extended treatment as painless as possible.
